WORK EXPERIENCE

Junior Full Stack iOS Developer

Velocity Inc, is a young yet professional global company that provides a high level of technical expertise

*August 2022 to Present
(5 months)*

- Worked on a multitenant CMS platform, building out features and implementing improvements for customer-facing and administrative interfaces. Developed an iOS application managed by the CMS, including interfacing with REST APIs and managing user authentication using OAuth 2.0.
- Managed technical aspects of the company's website.

INTERN

Africom Holding (Durihub)

Oct 2021 to Aug 2022 (3 months)

- Manage and maintain backend systems and databases.
- Developed a VoIP application with over 25K active downloads called "Taura" for iOS and Android.
- Build multi-tenancy capability

SUMMARY

Junior iOS developer with experience in Swift and Xcode. Strong understanding of iOS development principles and a passion for creating visually appealing, user-friendly mobile applications. Experience working on both individual and team projects, and eager to continue learning and growing as a developer.
